QUALITY POLICY

All **INTERCO ALUMINIUM AND METAL WORKS LLC** employees are guided by this Quality Policy in all decisions and actions on daily basis. Our goal is to provide the following:

- * Product and service beyond customer satisfaction
- * Continually enhance the competence and capabilities of our team to implement state-of-art solutions through seamless processes and engagement with our stakeholders resulting in sustainable growth and profits
- * Operational excellence with the highest quality essentials in daily operations
- * Guarantee that all client requirements are dealt with in a timely manner and is completed without any errors
- * A highly trustworthy and ethical work environment that provides long-term employment, development, and growth for all employees
- * Continual improvement in all that we perform

The **INTERCO ALUMINIUM AND METAL WORKS LLC** management realizes that success in the future depends upon achieving these goals by:

- * Promoting a work ethic that is predicated upon quality.
- * Providing all employees with the training and tools necessary to perform their job most efficiently and effectively possible.
- * Providing the necessary resources and personal support required for successful implementation of ISO 9001:2015 Quality Management System and Quality Objectives.

INTERCO ALUMINIUM AND METAL WORKS LLC will not compromise the integrity of our services to satisfy short-term goals. We are committed to long term growth, profitability and employment for our personnel and will achieve this by utilizing a business approach that takes into account the needs of all our stakeholders (e.g. employees, partners, medical providers, suppliers, customers, and the environment) and which encompasses an attitude of "Quality First".

A handwritten signature in blue ink, appearing to be 'M. S. Al-Sayid', is written over a horizontal line.

General Manager

QHSE Policy

INTERCO ALUMINIUM AND METAL WORKS LLC shall commit and ensure Quality of its services, Health & Safety of its Employees, Clients, Visitors and the community at large and protect the physical environment in which the **INTERCO ALUMINIUM AND METAL WORKS LLC** 's associated business activities are carried out.

The Management and Staff of **INTERCO ALUMINIUM AND METAL WORKS LLC** shall:

- Ensure that our products and services meet the needs and expectations of our clients in terms of quality;
- Develop and implement an Integrated Management System conforming to ISO 9001:2015, ISO 14001:2015 & ISO 45001:2018;
- Ensure the availability of personal, financial and human resources necessary to mitigate the adverse impact of its operations on HSE;
- Undertake reviews to measure QHSE performance against identified objectives and targets and continually improve the system;
- Ensuring the safety and welfare of our staff and the protection of our assets;
- Comply with or exceed all relevant Quality, Environmental, Health & Safety legal laws, regulations and other requirements;
- Identify the hazards in the production facility, assess the risks and manage those risks in order to reduce adverse impact on HSE;
- Periodically review the suitability, adequacy and effectiveness of the (QHSE) management system;
- Make every effort to protect the environment and prevent pollution, minimize consumption of materials, promote reuse and recycling of wastes and adopt best practice on waste management;
- Strive to achieve continual improvement of the QHSE management system and related performance;
- Prevent accidents and cases of work-related ill-health;
- Provide appropriate training to employees where applicable;
- Ensure that the company's QHSE Policy is well communicated to all quarters concerned;

Bassem El Mogy

Roger Zehil

Registration Review Committee Signature 1

Registration Review Committee Signature 2

Disclaimer:

- 1) This prequalification approval does not absolve the sub-contractor from getting a 'project specific approval' by the project consultant and by ADCE. Whenever a pre-qualified sub-contractor applies for a specific project, they should go through the sub-contractor submission process where they should prove resource allocation, financing position and proper engineering staff. The issuing of this certificate does not confer any authority upon the Sub Contractor.
- 2) This certificate is valid for one year from issue date.
